

Bankruptcy Prince George

Bankruptcy Prince George - Our firm is experienced and knowledgeable in the practices of bankruptcy, insolvency, and restructuring. We act for creditors and debtors and have played important parts in numerous cross-border restructuring deals in addition to some international restructuring scenarios.

There are a lot of foreign banks, insurance companies, investment firms, along with different financial institutions from Europe and Asia seek representation and counsel from our great group of experienced lawyers. The clients that we service consist of par bondholders, distressed debt purchasers and hedge funds, and high yield investors. Our company is well versed in all aspects included in insolvencies and we maintain some active practices for various conventional debtors. These clients, comprising receivers, debtors and creditors, have different requirements varying from enforcement remedies to court protection.

Our company works together as a whole to be able to ensure that our client is presented with a variety of resources concerning employment law, acquisitions and mergers, corporate tax, securities, and litigation. This procedure makes sure that whatever solution that we arrive at fits each and every individual circumstances. Our company is recognized for being creative and proactive. The assistance that we carry out frequently consists of facilitating consensual deals, negotiating creditors' rights problems, and cross-border insolvencies. When faced with cross-border insolvencies, our company makes use of simultaneous extra-jurisdictional court procedures to expedite protracted restructuring procedures.
