

Best Criminal Lawyer in Prince George

Best Criminal Lawyer in Prince George - Our teams of merger and acquisition lawyers provide professional legal recommendation in the various M&A transactions, from the start to the post-closing integration. Our skilled lawyers from our offices across the country have the knowledge and practical expertise required to handle the most complicated mergers and acquisitions. Our professionals have knowledge of important industry sectors - E-commerce, Automotive, CleanTech, Mining, Oil and Gas, Telecommunications, Technology, Manufacturing, Financial and banking Services, Transportation, Real Estate, Insurance, and Hospitality - as well as expertise in domestic and international M&A transactions. Our M&A members maintain strong relationships together with regulators and have in-depth knowledge of the regulatory and legislative realm.

The clients who seek out our expertise in all areas of mergers and acquisitions comprises several major domestic and international corporations, controlling shareholders, emerging companies, entrepreneurs, governmental entities, privately held companies, financial institutions, public companies, private equity firms, special committees and board of directors, and management buy-out groups.

The work of our M&A group starts with first completely understanding a client's business goals and needs. We expertly identify and allocate risk before structuring, negotiating, and efficiently completing the transaction. Our focused and strategic method applies to deals of whichever complexity and size. We deal with each situation with dedication to excellence. Our objective is to successfully devise taxation structures and innovative deals which will meet and exceed client expectations.

Specialized experience of the complex and varied legal and regulatory environment around M&A transactions is important to the success of whichever endeavour. That is why our M&A Group works closely together with our firm's experts in competition/antitrust law, foreign investment review, tax, employment and labour, pensions and benefits, financing, intellectual property, real estate, environmental, government relations, international trade and customs, and business immigration. When considered necessary, we offer extensive insolvency and restructuring skills so as to resolve challenges faced by distressed targets. When hostile situations related to securities litigation issues or regulatory hearings happen, clients could depend on our company's knowledgeable litigation team.

By way of take-over bids, and amalgamations and plans of arrangement, we conduct privately negotiated purchases of shares or assets, public company mergers and acquisitions. From the preliminary stages of a transaction all through to post-closing issues, our Private M&A and Public M&A lawyers offer our clientele with benefits with strategic and comprehensive suggestion. Our objective is to be able to provide solutions-driven transactional services in a cost-effective and innovative way in order to attain your business objectives.
