

Securities Lawyer Prince George

Securities Lawyer Prince George - Our clients require our services to assist them in accessing both the public and private capital markets. We provide recommendation regarding the accumulation of money within the applicable structures of securities laws, regulations, and policies. Both issuers and underwriters are part of our client base, seeking assistance with offerings of debt and equity securities. Furthermore, we also represent issuers and investors concerning seed capital and venture capital offerings and private placements. Our company could likewise assist our clients in yearly meeting requirements and in meeting applicable continuous disclosure.

Our office frequently acts for some law companies across the country. We help in the completion of cross-jurisdictional transactions, which often requires us to analyze a transaction from the regulatory compliance's point of view, sending whatever required applications to the Securities Commission, and meeting with personnel at the Commission.

Local and national publicly traded issuers, venture capital funds, independent corporate finance firms, the securities divisions of law firms, chartered banks, portfolio managers and investment counsel, and mutual funds consultants are all amongst our diverse client base.
