Prince George Personal Injury Lawyer - Medical Malpractice

If you have been injured caused by a medical error, you may be entitled to damages. Mistakes made by medical doctors, nurses, or various health care practitioners, that lead to injury, may entitle you to compensation for "general damages," also called pain and suffering. If you experience loss of income and ability to earn income because of your injuries, you could be entitled to compensation. Different kinds of compensation consist of home maintenance and housekeeping expenses, and health care costs not included in your medical insurance.

Slip and Fall

You could be entitled to compensation if you experience harm in a slip and fall incident. Depending upon the situation of your fall, your entitlement to compensation could comprise loss of ability to earn income and loss of income, "general damages," housekeeping and home maintenance expenses, and health care expenses over and above those covered under your medical insurance. If the individual causing the injury has an insurance policy that can be accessed on your behalf, it is essential that legal assistance is sought early so as to prevent limitation period issues.

There are many different kinds of injury that can happen from the neglect of injuries. These may include wrongful death, assault, and injury sustained on premises owned by others. These losses can impact the lives of the victims and their families deserve compensation.
