

Family Law Lawyers Prince George

Family Law Lawyers Prince George - Our company specializes in the difficult financial issues of our clients who have been recently separated. Estate and trust issues, child and spousal support, property division, divorce, adoption, access as well as child and adult guardianship are all matters in which our lawyers could help support and advise you through. We even could help create marriage agreements, separation agreements, co-habitation agreements and asset protection agreements.

Our services are tailored to reflect the various requirements of our clients. Our knowledgeable teams of lawyers are trained both in the courtroom and in negotiating and mediating so that our clients can be effectively and efficiently. Other than negotiation, litigation and mediation, our firm likewise offers collaborative law approach. This is a rather new method that allows family lawyers as well as various professionals, like financial advisors, to come to an agreement without going to court.
