

Lawyer Referral Service Prince George

Lawyer Referral Service Prince George - Individuals with a high-net worth as well as their families require some kind of estate planning and wealth management. We ensure that our clients and their assets are protected all through their lifetime and after death. Also, we make certain that these assets are correctly distributed in an orderly and tax efficient manner to their descendants.

Our estates and wealth management team will help with all aspects of administration, executorship, trusts and estates, taxes and connected dispute resolutions. Our vast knowledge comprises the fields including the preparation of wills, powers of attorney, and trusts. We make certain that, in case of death, double taxation and various unfavorable tax results.

We specialize in succession planning for both private and family-owned companies. We have clients coming to us for our work. Our clients use the numerous service separation of investment assets from business assets, estate freezes, variable share structure, and exit strategies.
