

Estate Planning Prince George

Estate Planning Prince George - Among the most essential fields of our company's practice is wealth preservation. The lawyers within our Wills and Estates field are knowledgeable in handling all aspects about the lawful requirements related to testamentary dispositions.

Amongst the aspects that are covered under the broad definition of Wills and Estates are estate planning, the formation of trusts, preparation of wills and establishment of charitable bequests. Our experts would be happy to help you with whichever of these, along with any other needed instruments or deeds associated to personal estates.

Our assistance even extend into giving advice to both trust companies and to individuals. We can help them plan their estates, give recommendation to the various estate beneficiaries concerning the protection of their rights. We would likewise offer services that will help to make sure that the trustees and executors duties and obligations are both clear and understood by all people involved.
