

Family Lawyers in Prince George

Family Lawyers in Prince George - The dissolution of a family or marriage could be somewhat draining both emotionally and financially. It is vitally essential that you phone our firm before making whatever choices when family strife results in irreconcilable differences. In such a difficult time, the tendency is to want to move on with your life and just get through it with the least amount of fuss. Nevertheless, you need help of family law lawyers to be able to prevent making costly mistakes in judgment.

We can protect your best interests and help you avoid errors, such as losing custody of your child. Our lawyers will fight for you to have custody and to maintain an integral and active part in the life of your kid. Child custody is most often granted to the mom, providing she is considered a fit parent. Then again, joint custody is a common choice, and in several cases, sole custody can be granted to the father.

We can help you build a strong case as to why your spouse must not have sole legal custody of your child, if this is not in yours or your kid's best interests. If you are seeking sole custody, our child custody lawyers will develop a case which shows the court the reason why you are the best individual to have sole custody.

In our firm, we have family law professionals who could help you better know all of your rights, which will enable you to make informed decisions as you move through the changes happening in your family life. Our lawyers offer several great services which comprise assistance with divorce, equalization of assets, separation or prenuptial agreements and division of property. Our experienced family law lawyers are up-to-date in all aspects of family law. Please get in touch with us to obtain a consultation on all your legal alternatives.
