

Real Estate Law Prince George

Real Estate Law Prince George - Previous to embarking on a real estate project, it is essential that you consider all factors as there are several provincial jurisdictions and areas of law that need to be covered in order to achieve your final objectives. Experienced legal counsel, with strong connections in the trade, is essential to creating an outcome with a minimum of complications.

Our company has specialized sub-groups in condominium development and sales, property development, leasing and financing, in addition to acquisitions and dispositions to be able to make sure that all of our clients requirements are met. The aim of our company is to be able to provide advice which would help our clients prosper with their individual visions. Amongst the services we provide are creating assembly deals for large pension funds, help in obtaining an extensive real estate portfolio and solving environmental concerns.

We have several various private and public sector clients, representing all areas of real estate, from owners, entrepreneurs and tenants to sellers, investors, developers and purchasers. Our firm would be happy to represent you in whatever area of real estate law.
